

# Has your bathroom seen better days?

We install new acrylic bathliners, showerliners and wall surrounds over your existing bathtub or shower base and tile in one day! Bathliners are a low-cost alternative to tearing out your old tub and walls.

## Showerliners/Bathliners

- Custom-molded to fit exactly over your old tub or shower base
- Will not crack, chip, or peel
- Non-porous and scratch resistant
- Molded-in slip resistant bottom
- High-gloss finish
- 3 times the heat retention of cast iron or steel bathtubs
- Easy to clean and maintain
- Does not disturb existing floors and plumbing
- Many exciting colors
- Professional certified installation
- Lifetime Warranty

## Wall Surrounds

- Installs right over your existing walls
- Floor to ceiling in height
- 90° bullnose bend on sidewalls for a finished look
- No grout lines and non-porous for easy cleaning
- High-gloss acrylic
- Solid, Marbleized, Metallic and Granite colors are available
- Tile-look walls are available
- Trim kits for windows
- Wainscoting is available
- Eliminates mold and mildew
- Lifetime Warranty
